## 1. The Harris Federation

The Harris Federation is a not-for-profit charity with almost 25 years' experience of education in and around London. We have built our reputation on a family of Academies that, across the board, are setting standards of excellence and fulfilling high expectations.

The Federation has grown since its foundation to include 35 Primary and Secondary Academies.

More than three quarters of our inspected Secondary Academies have been rated as 'Outstanding' by Ofsted. On average they receive four applications for every place available. Improvement in our GCSE results has been substantial for every Harris Academy since opening.

Our Primary Academies, which are newer, significantly improved results between 2013 and 2014 with our Free School in Peckham becoming among the first in the country to be judged 'Outstanding' by Ofsted.
